### "Whom Gods Destroy"

Sudden aggressive outbreak  
Fading foggy reality  
A mighty thought called freedom  
Changes the true identity

Impulsive lust for power  
A deadly force mixed with hate  
The glory of the moment  
Nightmare of the universe

(Repeat first verse)

(Repeat second verse)

(Chorus)

Whom gods destroy - Just and wise  
Whom gods destroy - For spreading lies

Whom gods destroy - The sentence: death  
Whom gods destroy - With their wrath

To all wulfs: Attack!  
Forward, spread the word of pain  
Feelings, so invincible  
Self deceit's a deadly trap

In the end it's over  
The evil side has lost again  
Aggressor's fallen and beaten  
Thanx to holy cleverness

(Repeat Chorus)
