Death Comes Soon  
Your whole lifetime  
Walking near the deadline  
Think about your fate  
Open mindlocked gates

The cruelty of nature  
Enveloped death of creatures  
Presence of birth and death  
Require a bloody mess

Life is hard, you're dying fast  
You can't oppose your destiny  
Hands of time are passing by  
How long can you live to die

Master - Glory  
Servant - Shame

The existance of our earth  
Is nothing to the universe  
What you'll do and if you last  
Is just puke in the dust  
Death comes soon there's no doubt  
Nothing to think so deep about

(Repeat second verse)

Life is hard, you're dying fast  
You can't oppose your destiny  
Hands of time are passing by  
How long can you live to die  
Try to live from day to day  
You've got no other chance anyway  
You should not lose your will to live  
You've got a lot of things to give

Your whole lifetime  
Walking in the deadline  
Think about your fate  
Open mindlocked gates

(Repeat second verse)
