Stargazing mega fact you hit me like an cosmic blast
Giving me a technicolor world
Putting me in overdrive speed of light I'm so alive
Could you be my super nova girl?

Instant planetary Mega Stellar Hydro static
Theres no gravity between us
Our love is automatic

Chorus: Zoom zoom zoom, make my heart go boom
boom
My super nova girl
Zoom zoom zoom make my heart go boom boom
My super nova girl
zoom zoom zoom make my heart go boom boom
My super nova girl
zoom zoom zoom make my heart go boom boom
My super nova girl

Visions of your pretty face
Send me into hyper space
Caught up in a Planetary world
Breathing in your give me air
I'm living off your solar flare
Could you be my super nova girl

Instant planetary Mega Stellar Hydro static
Theres no gravity between us
Our love is automatic

Chorus: Zoom zoom zoom, make my heart go boom
