

# Prototype "Trinity"

Visit "[Trinity](#)" on [MotoLyrics.com](http://MotoLyrics.com)

We invoke the triad strain  
Summoning your end  
The signal to transcend

Sight of order we regress  
Thrills of chaos reign  
Sentient loss unveiled

Forget your destiny  
Replace deficiency  
Retrieve the thought that caused your  
Scorn  
And call it trinity  
Passion with such energy  
Cleansing poison  
Modern vision  
Of virtuosity

Remember what you are  
Flesh of holy nothingness  
A prisoner of your god

Distilled, infectious reckoning  
Ravenous minds abound  
The future of mankind

Forget your destiny  
Replace complacency  
Release the fire that burnt your soul  
And call it trinity  
Passion with such energy  
Cleansing poison  
Modern vision  
Of virtuosity

Indifference over argument  
Listen without word  
Filter out, subvert  
Reaping radiant benefit  
Redeem your conscious mind  
Impart, retain, subscribe

Forget your destiny  
Replace deficiency  
Retrieve the thought  
That caused your scorn  
And call it trinity  
Passion with such energy  
Cleansing poison  
Modern vision of virtuosity
