Have you ever seen a picture of Jesus Christ  
I seen one on grandma's wall  
Since 5 or 10 years old

Couldn't know what was to come  
Went my own way  
Didn't find my way back until I was 23

Chorus  
I'm alive  
Can't deny

Full of Light  
Inside

I'm alive  
Can't deny  
Full of Life  
Inside

No regrets I  
Found my own way  
Gonna live my life the righteous way

Ain't got no money

But I'm rich in heart  
The one who lives inside me  
Gave a brand new start

I'm alive  
Can't deny  
Full of Light  
Inside

I'm alive  
Can't deny  
Full of Life  
Inside
