Livin', Lovin', Rock-n-Rollin'
Prayin', Playin', Stop complainin'

Praise the Lord
Praise the Lord

Show me how to live this life,
Standin' tall and walkin' right,
Keepin' faith and seein' light
Speakin' truth and livin' right

Praise the Lord
Praise the Lord
Praise the Lord
Praise the Lord

Praise God Almighty on high,
Thank the Lord Jesus who died,
His Blood covers our sins,
It's the only way life never ends

Praise the Lord
Praise the Lord
Praise the Lord
Praise the Lord

People tellin' what to do,
Only God can get you through,

Praise the Lord
Praise the Lord

Lookin' up when feelin' blue,
Can't decide what to do,
Need some wisdom to get through,
Hopin' for somethin' new,
Stop complainin' start some prayin'
He'll get ya through whenever you,

Praise the Lord
Praise the Lord, Oh YeahÂ...
Praise the Lord

Praise God Almighty on high,
Thank the Lord Jesus who died,
His Blood covers our sins,
It's the only way life never ends
