[Verse 1]

Baby get yo mind right

You gets no lovin'

You think you gonna sex me

Then boy you buggin'

That's not the way it is so

Get used to it

I know you wanna get it get it

But you'll never hit it hit it

[Pre-hook:]

Baby I'm not feelin you

That's the way that we do

Don't make this hard

All my ladies if you feel me feel me

Throw up yo hands

And sing it wit me wit me

[Hook:]

Oh baby don't get mad

That's how we roll

We come equipped

Like candy Chevy 6-4's

Can't get in my thong

Can't kiss me low

I'll never be a dyme

So baby hit the do'

Y'all dudes is all the same

Always playin games

Thinkin' you's a pimp

But comin' at me so lame

Can't get in my thong

Can't kiss me low

I'll never be a dyme
So baby hit the do'

[Verse 2]

Kid save all the nonsense
Cause I ain't havin it
Pimpin' ain't easy
Boy please believe me
I'm not the one to get played
And never will be
Boy you need to quit it quit it
Thinkin' you gon' ever get it

[Pre-hook:]

Baby I'm not feelin' you
That's the way that we do
Don't make this hard
All my ladies if you feel me feel me

And sing it wit me wit me

[Hook:]

That's how we roll

We come equipped
Like candy Chevy 6-4's
Can't get in my thong
Can't kiss me low
I'll never be a dyme
So baby hit the do'

Y'all dudes is all the same
Always playin games
Thinkin' you's a pimp
But comin' at me so lame
Can't get in my thong
Can't kiss me low
I'll never be a dyme
So baby hit the do'

[Rap]

What the problem is
These Niggas wanna get in my dr-awls
Homey take a pa-ause
Women let's tell 'em our la-aws
Shoppin' sprees in malls dawg
Shop til I drop, til I push that drop
To the number one spot
Niggas wanna buy me shit on the rocks
Anything that's gonna make me get on top

Man just back up off me
You one hello from stalkin me
Tellin' me things that you think you mean
Like you love me when you saw me
Shut it up, give it up
Me and my girls we ain't sluts
No love fo' a scrub
Man we got our own dubs, what

[Hook:]
Oh baby don't get mad
That's how we roll
We come equipped
Like candy Chevy 6-4's
Can't get in my thong
Can't kiss me low
I'll never be a dyme
So baby hit the do'

Y'all dudes is all the same
Always playin' games
Thinkin' you's a pimp
But comin' at me so lame
Can't get in my thong
Can't kiss me low
I'll never be a dyme
So baby hit the do'
