[Verse 1:]

You see me lookin' sexy  
Don't mean that you gon' sex me  
Just because I got a body  
Doesn't mean you'll get my body  
Don't get the wrong impression  
All by the first impression  
Now I'm not sayin no baby  
Oh yes, but I will say maybe

[Hook:]

Maybe I look at you  
Maybe I think you're cute  
Maybe I'll call you too  
Maybe you'll be my boo (maybe!)  
Maybe I'll give you some  
Maybe we'll fall in love  
Maybe you're the one  
Oh I don't know oh (maybe!)  
Maybe I'll be your girl  
Maybe I'll rock your world  
Maybe you'll be my man  
Maybe you'll understand (maybe!)  
Maybe we'll share a crib  
Maybe we'll have some kids  
Maybe, I don't know  
Oh

[Verse 2:]

Don't think I'm complicated  
Cause I sound complicated  
Because I'm lookin' tasty  
Doesn't mean that you gon' taste me  
Hope I'm comin' off clearly  
Make sure that you can hear me  
I'm not sure I want you baby  
I'm maybe closer to maybe

[Hook:]

Maybe I look at you  
Maybe I think you're cute

Maybe I'll call you too  
Maybe you'll be my boo (maybe!)  
Maybe I'll give you some  
Maybe we'll fall in love  
Maybe you're the one  
Oh I don't know oh (maybe!)  
Maybe I'll be your girl  
Maybe I'll rock your world  
Maybe you'll be my man  
Maybe you'll understand (maybe!)  
Maybe we'll share a crib  
Maybe we'll have some kids  
Maybe, I don't know (maybe!)  
Oh

[Chingy's Rap]

I got a girl vanilla wafer, light skinned and like a ape  
She shaped up, plus she fine without the makeup  
Maybe we can take trips to Rome, Paris and Spain  
Get my chain and change my name, grab her and get  
out the game  
When she two-way me her last words kisses and hugs  
Not Bonnie and Clyde, it's Misses and Thugs  
If I'm ever locked up she'll make the bail  
And if the yey rocked up she'll make the sell  
Spreewells, what I keep her spinnin' on  
Work hard so she cook me dinner when I'm at home  
Bow down to the prince and the princess (royalty)  
In her watch princess cuts in my watch baggets, yes!

[Hook:]

Maybe I look at you  
Maybe I think you're cute  
Maybe I'll call you too  
Maybe you'll be my boo (maybe!)  
Maybe I'll give you some  
Maybe we'll fall in love  
Maybe you're the one  
Oh I don't know oh (maybe!)  
Maybe I'll be your girl  
Maybe I'll rock your world  
Maybe you'll be my man  
Maybe you'll understand (maybe!)  
Maybe we'll share a crib  
Maybe we'll have some kids  
Maybe, I don't know (maybe!)  
Oh  
(repeat)
