I'll never be a marine biologist
I'll never be a priest
I couldn't be a tiny person
When all the matters least
I'll never make a decent soldier
Maybe when I'm older

I'll never make a butcher, baker, teacher, trainer
I'll never make a tamer
I'll never catch a rat

Sometimes my body stops me
Sometimes my head
Sometimes my body stops me
Sometimes my head

I'll never make a good cartographer
I can't read a map
And I have never been from Europe
I don't like the suntrap
I'd be a terrible psychoanalyst
Too sucked up in me
I'll never make a decent botanist
Don't know a shrub from a tree

Sometimes my body stops me
Sometimes my head
Sometimes my body stops me
Sometimes my head

I'll never be a bouncer
The Anti-Christ
I'll never build a yacht
I'll never be a famous gunman
I don't have a good shot
I'll never be a good palm reader
Or a rabbit breeder

I'll never give up until I've tried
I will never be satisfied
I'll never give up until I've tried
I will never be satisfied

I'll never give up until I've tried
I will never be satisfied
I'll never give up until I've tried
I will never be satisfied
