"A.M." by Psychefunkapus

Woke up this mornin', I couldn't find the doorknob  
I tripped over the bedpost and I hit my head  
I got a revelation, it struck me as funny  
My baby wasn't near me, and neither was my money!  
Is this what I live for?  
Cheap thrills and deceit  
but what the HELL is that smell?  
I think I'll go brush my teeth!  
I feel a little moisture in between my Jockeys  
I jump into the shower and I cleanse myself  
I feel a little hungry, so I eat a bowl of cornflakes  
I turn on the network, oh shit! There's been another  
earthquake!!  
Is this what I live for?  
To go down with the ship?  
It's almost time for the Jetsons  
I think I'll go smoke that ...  
Sally wants to be a rich girl  
She wants a part on TV  
Sally wants to be a rich girl  
she don't want to depend on me  
But I gave her all my love and I gave her all my time  
And ever since she walked out the door the girl is  
always on my mind  
I never had enough to buy her pearls or even diamond  
rings  
I never had any money to buy her any of those things  
I need the money  
To make her happy  
I need the money  
To make her mine  
I need the money  
To make her happy  
I need the money  
To make her mine  
Sally wants to be a rich girl  
she don't want to depend on me  
Sally wants to be a rich girl  
When the earth stopped shakin' I heard the doorbell  
ringin'  
I looked out through the peephole and it was only the

mailman  
He wants to give me a letter, it wasn't very funny  
My rich uncle just croaked, but he left me all that  
money!  
Is this what I live for?  
To live life like a king?  
Hey - that might be Sally on the phone right now -  
I think I'll just let it ring!!  
Oh Mighty Jesus!  
Sally girl was walkin' down the street without a care  
walkin' home with any guy she meets anywhere  
Besides, your little game really wasn't very clever  
next time, Sally, you should think it out better!  
Oh honey!  
All that money!  
Oh honey!  
All that money!  
I'm rich!  
I'm rich!  
I'm rich, ain't that a bitch!
