

Psychopath "Altered Minds"

You have your opinions
And I have chosen mine
When I read your obituary
I had to sympathize

You had
A future
But laughed
And died

Was it worth self-destruction?
Was it "bitch" to die?
The price some pay to be noticed
Results in throwing away their lives

Idiots sealed your fate
But you had no idea
You were following altered minds

Barbiturates are barbarous
And so is a crown
Who can't deal with life

You had
A future
But laughed
And died
