Crawling through the subway waiting for a sign
See that pretty baby dying to me mine

Tell me what you want to know ? I will never let it go

It is kind of weird when all is said and done
Nothing lasts forever little pretty one

Tell me what you want to know ? I will never let it go
(Baby)

Here comes the rain ? Stuck with the pain
Tell me how you feel ? this time it?s for real
It?s all over ? drunk or sober

Dying cause she?s lonely the sky is turning red
How long has she waited in her empty bed

Tell me what you want to know ? I will never let it go
(Oh
Baby)

Here comes the rain ? Stuck with the pain
Tell me how you feel ? this time it?s for real
It?s all over ? drunk or sober

Here comes the rain (here it comes)? Stuck with the
Pain (with
The pain)
Tell me how you feel ? this time it?s for real
It?s all over ? drunk or sober
