Down inside
There is one
Who can find
Comprehension

If you try
To lighten up
You just might
Release some tension

Pretending and defending
That the other man was born
With fame and fortune
So you won't have to
Work your ass off
To get where you dream of

That's you without a clue
That's you without a clue
That's you without a clue
That's you without a clue

Look at your life
And wonder why?
You're not in the groove
Or hip for the ride

Positively
Thinking
Everyone has chances
To do what they like

Defying
The lying
You and only you
Decide your own fate

Now you have a clue
Now you have a clue
Now you have a clue
Now you have a clue

Only needing
Self-confidence
Push yourself
The result is intense
