Smile for the camera  
Oh she's crying. Jesus  
To the lens focus  
Black mascara bleeds her face  
Smile for the camera  
While you are sliced to ribbons  
Scream for the camera  
Oh she's pleading. Jesus  
For her pathetic life  
A starlet with a duct tape smile  
Scream camera  
Your inspiration focus is a shard in your cunt  
Prepare the scene  
A method star cured for crucifixion  
Play dead  
Put on your murdered face  
It's only acting. Acting. Acting  
Look she's dying. Jesus  
Grainy and unsteady  
Falling down like a character in hell  
Scream!
