I fucked my mom x4

I hate remixes x11

I hate MINDLESS SELF INDULGENCE!

I've been denied all the best ultrasex

That's why i sing like

I, I tried to consume,

Jus like a super faggot i get some dude

How can y'all bring a muthafucka something so good

he couldn't say no

It nailed me hard

But i love 'em when they don't give a motherfucking
shit

I could've been someone instead of falling flat upon
my ass

Dig me now, fuck me later, sing it to the tune of faggot
faggot faggot

Little Jimmy Urine, You got a little gun, you got the jizz,
i wanna grow up to be like him when im 58 years old
like he is,

Steve Righ?, Second most important of the crew, If i
had to sit on a bus with jimmy day in a day I'd be gay
too,

Vanessa Y-T, The sexy girl, The other white meat, An
intergalactic robot capable of amazing feats,

Kitty? Kitty who? You mean that afro behind the drums?
she's always last in the pictures i believe the word is
mum,

I, i could've been a star

It freaks me out when i sound just like my mom

I could've rocked the spot

Instead of being just another faggot like i am

I played that shit straight

Blowin' suckas on the side hopin' i get laid
Now everybody knows
No way in hell i can ever live it down

Dig me now, fuck me later, sing it to the tune of faggot
faggot faggot
Sing it with the-

___ my skin ___ little kids, no one notices were hardly
playin when we beat the drums like this...

I want my, I want my, I want my ultrasex

FAGGOT FAGGOT etc
