It smells like
Someone died
In this room
On the bed

It smells like
Someone died
In this room
???

I knew I would find you
No need to remind you
I'm standing behind you
I'm dying to bind you

It smells like
Someone died
In this room
No one cares

You belong to me
You're my property

It smells like
Someone died
In this room
All alone

It smells like
Someone died
Dreaming of love
Happiness

I knew you would find me
No need to remind me
You're standing behind me
You're dying to bind me

It smells like
Someone died
In this room
What a mess

You belong to me
You're my property

You're my cute little (x4)

You belong to me
You're my property

Time to run away
