**"...And No One Broadcasted Louder Than...  
(Intro)"**

*[Show reporter]*

I'm not going to lie and act like..

I have always thought.. all Hip-Hop or Rap was the  
world's greatest thing

But Public Enemy.. made me realized..

that all Rap is not the same

They made the world listen

They articulated the frustrations and anger  
of the Black Community, more importantly;

They changed the perception of what Hip-Hop could be

Chuck D said: that Rap was the CNN of the Black  
Community

And no one broadcasted louder.. than Public Enemy
