[Chuck verse 1]

We dont control sht
No education
Enforcement
Economics
Depending on governments
Forever in a plantation state
Damn this is why i hate hate
Wanna do something for the people
Make us equal
Instead of creatures
Who got human features
Let the whole world reach you
Things classrooms cant teach you
Now can you dig it?
Sing the song till we all get along
Feed the poor
Damn the law

Killed em when they caught em
Set up wet up
When they no longer could afford em
Put disease across the seas
Got the third world on their knees
Get it

We busy spinning and grinning on 26's you sitting
Change your god for your wealth thinking heaven your
gettin.

You must be pre-sistance in mass resistance
Love thy enemy and make this committment
To engage in struggle, with a clenched fist lift it
Be true to self before the GOD end this.

Yo! Public enemy we back in your.....
