Bass! How low can you go?
Death row what a brother knows
Once again, back is the incredible
Rhyme animal

The incredible D. Public Enemy number one
Five-O said "Freeze!" and I got numb
Can't I tell 'em that I really never had a gun?
But it's the wax that the Terminator X spun

Now they got me in a cell, 'cause my records they sell
'Cause a brother like me said
"Well, Farrakhan's a prophet and I think you ought to
listen to
What he can say to you, what you ought to do"

Follow for now, power to the people say
"Make a miracle D, pump the lyrical"
Black is back, all in, we're gonna win
Check it out, yeah y'all, here we go again

Turn it up! Bring tha noise!
Turn it up! Bring tha noise!

Never badder than bad, 'cause the brother is madder
than mad
At the fact that's corrupt as a senator
Soul on a roll, but you treat it like soap on a rope
'Cause the beats in the lines are so dope

Listen for lessons I'm saying inside music
That the critics are blasting me for
They'll never care for the brothers and sisters
Now across the country has us up for the war

We got to demonstrate, come on now
They're gonna have to wait till we get it right
Radio Stations I question their blackness
They call themselves black, but we'll see if they play
this

Turn it up! Bring tha noise!

Turn it up! Bring tha noise!

Get from in front of me, the crowd runs to me
My deejay is warm, he's X, I call him Norm, ya know
He can cut a record from side to side
So what, the ride, the glide should be much safer than
a suicide

Soul control, beat is the father of your rock n' roll
Music for whatcha, for whichin', you call a band, man
Makin' a music, abuse it, but you can't do it, ya know
You call 'em demos, but we ride limos, too

Whatcha gonna do? Rap is not afraid of you
Beat is for Sonny Bono, beat is for Yoko Ono
Run DMC first said a deejay could be a band
Stand on it's feet, get you out your seat

Beat is for Eric B, and L.L. as well, hell
Wax is for Anthrax, still it can rock bells
Ever forever, universal, it will sell
Time for me to exit, Terminator X-it

Turn it up! Bring tha noise!
Turn it up! Bring tha noise!

From coast to coast, so you stop being like a comatose
'Stand, my man? The beat's the same with a boast
dose
Rock with some pizzazz, it will last why you ask?
Roll with the rock stars, still never get accepted as

We got to plead the fifth, we can investigate
Don't need to wait, get the record straight
Hey, posse's in effect, got the Flavor Terminator
X to sign checks, play to get paid

We got to check it out down on the avenue
A magazine or two is dissing me and dissing you
Yeah, I'm telling you
