Get off my back
You've got to get off my back
Get off my back
You've got to get off my back
Get off my back

You've got to get off my back
Get off my back
You've got to get off my back
Get off my back

The monkey ain't no joke
So you want to mess with the coke
Boy oh boy oh boy oh boy
The monkey ain't no joke

You better leave 'em alone
He's home grown, he's the cyclone
He's the moan groan, capon, the clone
The broken bone, tone

You've got to get off my back
Get off my back
You've got to get off my back
Get off my back and let me breathe

We got the real flavor flav
Gettin' down with the sound
And he's tellin' you to get off his back
We got the real flavor flav
Gettin' down with the sound
And he's tellin' you to get off his back

The monkey ain't no joke
So you want to mess with the coke
Boy oh boy oh boy oh boy
The monkey ain't no joke

You better leave 'em alone
He's home grown, he's the cyclone
He's the moan groan, capon, the clone
The broken bone, tone

He's on your back gives you no slack
Don't give me no flack
Because I know, toe to toe, go to go
He's on my back, get off my back
Get off my back, get off my back

We got the real flavor flav
Gettin' down with the sound
And he's tellin' you to get off his back
We got the real flavor flav
Gettin' down with the sound
And he's tellin' you to get off his back

Aslam a lakem
And that's the way we take 'em
And if we got to frisk you down
Then that's the way we shake 'em

Aslam a lakem
And that's the way we take 'em
And if we got to frisk you down
Then that's the way we shake 'em

Aslam a lakem
And that's the way we take 'em
And if we got to frisk you down
Then that's the way we shake 'em

Aslam a lakem
And that's the way we take 'em
And if we got to frisk you down
Then that's the way we shake 'em

We got the real flavor flav
Gettin' down with the sound
And he's tellin' you to get off his back
We got the real flavor flav
Gettin' down with the sound
And he's tellin' you to get off his back

The monkey ain't no joke
So you want to mess with the coke
Boy oh boy oh boy oh boy
The monkey ain't no joke

You better leave 'em alone
He's home grown, he's the cyclone
He's the moan groan, capon, the clone
The broken bone, tone

He's on your back gives you no slack
Don't give me no flack
Because I know, toe to toe, go to go
He's on my back, get off my back

You've got to get off my back
You've got to get off my back
You've got to get off my back
You've got to get off my back
You've got to get off my back

You've got to get off my back
You've got to get off my back
You've got to get off my back
You've got to get off my back
You've got to get off my back
