Say it takes two to tango but a crew to bang, yo
Superstar shootout, overtime at Durango
Clear out the box out, practice at the range, yo
Get the D to step back unless they be deranged dough

Rae me fa so la ti dough the chiza
Rarely do missa, money earner isa
Barn burner, highlighted by the head turner
Every step you take televised by Ted Turner

TBS and TNT, Sunday drain the tray
But drew the foul on NBC
Ain't no stoppin' me, I told y'all
Close the door on the series
Swept but they ain't here me

In case you forgot, this shot is hot
Boo yow, like Stuart on the Scott, the haves and have
nots
Go cat go, let the legend grow
Game it like you game it, better let 'em all know

1 for the chiza, 2 for the flow
3 to get the heads ready, go cat go
1 for the chiza, 2 for the flow
3 to get the heads ready, go cat go

Go cat go, go cat go
Go cat go, go cat go
Go cat go, go cat go
Go cat go, go cat go

Go cat go, high and down low
Do it like you did on the brother wit the fro
Good job, baby, get the crowd crazy
Put that finger up at the section for the ladies

Scream, c'mon, scream at the chisa and the cream
Raised up in Brooklyn but be ballin' down in Queens
White man's burden be a black man's dream

Badge over troubled green be a triple team

Suits and the ties, see the envy in the eyes
Controllin' guys while the buyers lie about the size

High priced Adonises, unkept promises
Box score forgets all the no name threats
Puttin' numbers up to get them numbers up
Keep bouncin', but who's countin'?

1 for the chiza, 2 for the flow
3 to get the heads ready, go cat go
1 for the chiza, 2 for the flow
3 to get the heads ready, go cat go

Go cat go, go cat go
Go cat go, go cat go
Go cat go, go cat go
Go cat go, go cat go

Go cat go

A spell compels the Magic of the Johnson
Still got the real jewels lockin' up those who fake
They get more iced in a rink
Lack of playin' time, make the steps shrink

Or for those who giveth than taketh away
Farewell and be well and took away the pay
No more breakaways just isolated plays
In a field away from bigger, faster, better days

Amongst all the foddys and stick up shodys
The drug gang known by temporary fuck names
Go cat go, let a player know
Coney Island style before you go pro

1 for the chiza, 2 for the flow
3 to get the heads ready, go cat go
1 for the chiza, 2 for the flow
3 to get the heads ready, go cat go

1 for the chiza, 2 for the flow
3 to get the heads ready, go cat go
1 for the chiza, 2 for the flow
3 to get the heads ready, go cat go

Go cat go, go cat go
Go cat go, go cat go
Go cat go, go cat go
Go cat go, go cat go

Go cat go, go cat go

Go cat go, go cat go
Go cat go, go cat go
Go cat go, go cat go
