Ridenhour - K. Shocklee - Gary G-Wiz

I remember when us blacks

Were on our backs

Across tracks

Where we live

Now we packin' in Cadillacs

Or Pontiac if you know

What I'm sayin'

Po' old nigg thinks it's a Caddy

And now he's playin' mack daddy

But that's all right I blame it

All on Jack

Who's Jack you ask me

You say, I say it every time

But the rhyme goes

Into your head down to your toes

And you missed me

Play it off like a diss, yo

Let's go & diss the

Wick wick wack

Wiggedy whack in fact

I'm sayin' hit the road Hack

For the hook

I'll play it by the book

For the track

I'll bring it back

Look out: Hit the road Jack

Black is black

White is white

That's all right

If you're right

That's all right

No need to fight, yo

Much respect if your nature's in check

A little

If not expect me to cock a doodle do

A riddle

Just actin' cracka proves to be a

Killer to me like I refuse to be a negro

But we grow to be people

People

But our color had 'em playin' us out
Like we was Cinderella
But if you take it & break it down
Full of noise but Jack & his boys
Keep doin' what they wanna do
But hear me out
Jack goes under color
To kill one another
'Cause some blacks act devil too
And if you see him
You can tell by his act
Not his word but his deed
And we bleed all because of that
Lifestyle of a dirty rat
And if you act like that
Step back & hit the road Jack

Not Jack the Ripper
Or the jack of spades
I'm not jackin' for beats
Let's get Jack the raper
Mothers cried while forefathers died
From the whip
And not a bit ever made the paper
When I come they all
Run & hide
And they quit
And yell loud
Here he come wit' dat black s--t
I'm thru wit Jack
Bein' the quarterback of the scene
He's played out like bell-bottom jeans
I took a line from the Main Source
For that
I know they feel the same
Thank you
Hit da road Jack
