feat. Z-Trip

You may never heard it  
I be spittin on the senior circuit  
After splittin from the major circus  
Check how i re word this  
Duckin young tigers shittin the woods  
Flavor flav  
Some cats be up to no good  
Im jack niggerless to my hood  
Im from the velt  
Roosevelt  
You know whats wild  
I never felt like some motherless  
Or fatherless child  
Flavor flav  
So i grew up to change the style  
I dont care what that company spent  
Its inevitable  
They cant prevent the event  
Through it all  
I tell em all to stand tall  
If i fall  
Just add another face to the wall  
After all  
These are the faces  
That they wont show  
Flavor flav  
Cause these are the names they dont want you to know  
Yes we can they say no we cant  
Most of my heroes still dont appear on no stamp  
Most of my heroes still dont appear on no stamp (x3)

(Professor griff verse)

From the pin, of the mind, of the minista  
Those oppose, and the s 1â€²s will see ya  
All praises are due, don't forget this  
On the grind, now dig this.  
Most of my heroes still dont appear on no stamp (x3)  
Flavor flav  
No envy in me

Rip c delores tucker  
Salute cynthia mckinney

Be most of yalls foes  
So i stay on my toes
