Brothers and sisters
Brothers and sisters
I don't know what this world is comin' to

Yes, the rhythm, the rebel
Without a pause, I'm lowerin' my level
The hard rhymer, where you never been I'm in
You want stylin', you know it's time again

D, the enemy tellin' you to hear it
They praised the music, this time they play the lyrics
Some say no to the album, the show
Bum rush the sound, I made a year ago

I guess you know, you guess I'm just a radical
Not a sabbatical, yes to make it critical
The only part of your body to the partin' to
Panther power on the hour from the rebel a you

Radio, suckers never play me
On the mix, they just okay me now
Known and grown when they're clockin' my zone
It's known snakin' and takin', everythin' that a brother
owns

Hard my calling card
Recorded and ordered, supporter of Chesimard
Loud and proud kickin' live next poet supreme
Loop a troop, bazooka, the scheme

Flavor, a rebel in his own mind
Supporter of my rhyme
Designed to scatter a line of suckers who claim I do
crime
They on my time tickin'

Terminator X
Terminator X
Terminator X
Terminated

From a rebel, it's final on black vinyl

Soul, rock 'n' roll comin' like a rhino
Tables turn, suckers burn to learn
They can't disable the power of my label

Def Jam tells you who I am
The enemy's public, they really give a damn
Strong island, where I got 'em wild and
That's the reason they're claimin' that I'm violent

Never silent, no dope gettin' dumb, nope
Claimin' where we get our rhythm from
Number one, we hit ya and we give ya some
No gun and still never on the run

You wanna be an F1, griff will tell you when
And then you'll come again you'll know what time it is
Impeach the president pullin' out my ray gun
Zap the next one, I could be your shogun

Suckers don't last a minute
Soft and smooth I ain't with it
Hardcore, raw bone like a razor
I'm like a lazer, I just won't graze ya
Old enough to raise ya, so this will faze ya
Get it right, boy, maybe I will praise ya

Playin' the role I got soul too
Voice my opinion with volume
Smooth, not what I am
Rough 'cause I'm the man

No matter what the name, we're all the same
Pieces in one big chess game
Yeah, the voice of power
Is in the house, go take a shower, boy

P.E. a group, a crew, not singular
We were black wranglers
We're rap stranglers
You can't angle us, I know you're listenin'

I caught you pissin' in your pants
You're scared of us dissin' us
The crowd is missin' us
We're on a mission, y'all

Terminator X
Terminator X
Terminator X
Kill the Terminator, come on

Attitude, when I'm on fire
Juice on the loose, electric wire
Simple and plain, give me the lane
I'll throw it down your throat like Barkley

You see that car keys, you'll never get these
They belong to the 98 posse
You want some more, son, you wanna get some
Bum, rush the door of the store, pick up the album

You know the rhythm, the rhyme
Plus the beat is designed
So I can enter your mind, boys
Bring the noise, my time
Step aside for the flex, Terminator X
