Flavor flav ? time ticks, just count the six to eight
figures?

? shut em down at the ritz

Thinkin of grits, kibbles 'n bits, now I'm in the mix

Flav be doin just like this

Off the meat rack, got my money stacked

Blow out your back, no fakin jacks

Kid relax, honey I shrunk the kids

Flipped your wig, on top of the world like 'pac and big

Flavor flav still stay jig

Takin a swing, knock you out like shannon briggs

Up on your block, money bustin out my socks

Yo I'm in it for life, I'm takin a piece of the rock

Flavor flav got a lot, so you know I can't stop

In ninety-eight I'm livin on large estates boy!

Chorus: *sung*

Flavor flav shake yo' booty

Get rich, do your dance, it's your duty

Stack paper, and let's get crazy

Throw your hands in the air then be swayze

(repeat 2x)

[flavor flav]

Check out my girls, check out my girls

Sing that shit g, sing that shit g!

Give me the night, like george benson

And have fun, this jam is number one

We gonna party til it's done, me and dr

Goin real far

In a black car, fat two-seater

Rich like kedar, on my def jam's

Let's see how the ball bounce

I'd lampin, so you know I can't fall
From strong island, still buckwhylin, stylin
Profilin, eatin at city island
Now you know the real score, flavor's raw
Catch me on tour, makin mad moves for sure
Hittin chicks like galore, we're gonna dance
Til we shake the floor, I know you party people want
more

Chorus

[flavor flav]

The way you see me, v.i.p.
Don't try to make history
Stay loyal to fam p.e., ?

Chorus 2x

[flavor flav]
