Ridenhour - Stewart

Here a track I found underneath  
Findin' beats is a treat  
An' I don't care if it top pop  
Abracadabra can't keep a tab a  
This stickin' around like D an' it stuck Chuck  
Into a mode, unloadin' pop, pop, pop  
Go the weasels that dropped from the hip hop  
Kissin' the good bye  
Goin' goin' gone  
Keep it flowin' on  
Like a lemon I ain't livin'  
Like a lime here's a line  
To those here's a rose keep the casket closed  
Gone and in check  
The next is from the X  
Wrecked and affected by the rest huh  
How I'm gonna go I gotta flow  
'Cause they figure I'm a gonna...  
Tie goes to the runner

Politikin' I be wreckin'  
I reckon he's the electrician  
Pullin' the switches on brothers  
Who be in disposition  
I never got along wit' the long  
Arm of the law  
I saw where they place the hardcore  
To them it doesn't matter  
Where it splatter  
Our blood from the bullet  
Not ballot I vote for Jim Brown  
I know it don't rhyme  
Does it matter that he  
In fact he won't find  
Excuses inside of Murphy Brown  
I'm on a level livin' low  
Here we go I know  
If this was Africa I'd try to give a necktie  
To those runnin' & lyin' disguisin'  
Three guys (surprise)

Tie goes to the runner

Not surprised at all  
About the riot zone  
And I moan  
I wish they leave me alone yo  
This was predicted not self-inflicted  
By the rapp outta the 'hood  
They picked it good  
Hittin' heavy critical aim at all the phony names  
Prez rembezzlers  
Who gettin' voted mayor  
Lookin' at 'em wit' an  
Evil eye (why lie)  
I don't buy the fly look  
As the fall guy  
I'm livin' low across the tracks  
Politikin' who stickin' had better  
Watch their backs  
In another long hot summer  
Tie goes to the runner

An' I quote  
I freak da notes  
I double the dose  
All she wrote  
Devour got the power of a double man  
Get excited just don't bite it or you're in trouble man  
Got a rhythm to ride  
A thought provoke  
'Cause I don't joke  
Here's a brother wit' an attitude  
Don't get me rude  
Chew it up wass up it's like food
