

## Public Enemy "Underdog"

Visit "[Underdog](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Little is known why I beckon & moan  
I see what's comin'  
Madd brothers will be bumming  
After the math

The drug lords brought the wrath  
Of those of us who once thought  
We needed to be weeded  
Bust, dust made that head bust  
I remember came after  
Cheba cheba had you wide like  
A receiver  
What looks like fire is ice  
Fall for the flame  
Catch it twice like Jerry Rice. Nice  
Against odds

I recognize it is the cards  
Hard to be played back the jack of  
Spades  
BRIDGE  
Ashes to ashes blunts to blunts  
Some of these geez ain't real  
I seen em once  
Upon a time  
So many rappers and not enuff rhymes  
I hope they around next year but I fear  
I'm all time and I'm down  
For the ruffness  
But what good is the rhyme  
Without substance

CHORUS  
I rather be the underdog

VERSE !!  
Nobody savin' the time  
The rhyme never thanks  
Who be givin'  
Ravin' who on top of the charts  
Grabbin' the Gavin  
Now I can't use my name

Half the body be dancing head swoll  
But one thing I can do is finger roll  
The hit list grows like Pete Rose  
As I rise above who you recognize  
I wanna know that disguise  
Who are you?  
And wher' d you come from?  
See how you run  
First on a verse I gets vertical  
Flip works like a grammatical gigolo  
A head from many years ago  
I brought the noise on the R & B boys  
The chronological  
Or the ghetto celeb  
Never claimed the best  
Nor was I great at finesse  
But everything is everything  
And everything is real  
It appears I shift gears  
To the ears of my peers  
No appeal  
CHORUS  
I' d rather be the underdog

#### VERSE III

I' m low maintenance  
The picture I' m paintin  
Is just intelligence  
Not another nitwit  
You can get with  
Self haters, traitors  
Thinking now that later  
Turned they head  
Dissin something that I said  
I get ill on a beat track  
Make me wanna go back  
Way back  
Where it' s not a trace of Baba  
Unplugged tempos  
From the drugged temple

#### CHORUS

I rather be the underdog

#### BRIDGE

Ashes to ashed, bluntz to bluntz  
Some of these geez ain' t real  
I seen em once  
So many rappers and not enuff rhymes  
I hope they around next year  
And I fear
