

Public Enemy "What A Fool Believes"

Visit "[What A Fool Believes](#)" on MotoLyrics.com

That's a lie
Power to the people
'Cause the people want peace
Have no fear, you're safe right here

You are protected
You're respected
The people gotta voice
The people got choice

The who, the when, the why, the what
The who, the when, the why, the what
The who, the when, the why, the what
The who, the when, the why, the what
A fool believes in me

Who the government?
Who the terrorists?
Where the hit list?
Pump the raised fist

Make 'em spread the wealth
Long as you gotcha health
I can't get no help
So I jump back to kiss myself

The who, the when, the why, the what
The who, the when, the why, the what
The who, the when, the why, the what
The who, the when, the why, the what
A fool believes in me

What a fool believes
What a fool believes
What a fool believes
What a fool believes

The who
(The who)
The when
(The when)

The why
(The why)
The what
(A fool)

The who, the when, the why, the what
The who, the when, the why, the what
The who, the when, the why, the what
The who, the when, the why, the what

The who, the when, the why, the what
The who, the when, the why, the what
The who, the when, the why, the what
The who, the when, the why, the what

That's a lie
Swear to God
You thought the yard was hard
Come an' get your God with a credit card

Preacher lying on the truth to raise his roof
Come on holla preacher flow, he got your dollar
Devil succeeded in never
Givin' you what you needed

Playin' with religion
So the people believe it
They playin' with God
While preyin' on God

While you prayin' to God
They playin' with God
Come on now

The who, the when, the why, the what
The who, the when, the why, the what
The who, the when, the why, the what
The who, the when, the why, the what

The who, the when, the why, the what
The who, the when, the why, the what
The who, the when, the why, the what
The who, the when, the why, the what
A fool believes
