I don't know when to start or when to stop  
My luck's like a button  
I can't stop pushing it  
My head feels light  
But I'm still in the dark  
Seems like without tenderness there's something  
missing  
Tenderness  
Where is the  
Tenderness  
Where is it?

I don't know where I am but I know I don't like it  
I open my mouth and out pops something spiteful  
Words are so cheap, but they can turn out expensive  
Words like conviction can turn into a sentence

I held your hands  
Rings but none on that finger  
We danced and danced  
But I was scared to go much further with it  
Just half a chance  
Make sure that one night you're here,  
But next night you're not  
It always leaves me searching for a little

Tenderness  
Where is the  
Tenderness  
Where is the  
Tenderness?

Whistling in the graveyard  
Calling up your girlfriend  
Just trying to make her understand  
You're squeezing the telephone like it was her hand  
No question (so many questions)  
She's going to catch you out boy  
It all seems so underhand  
Now she's the only thing that ever made you feel like a  
man, man  
Madman, madman

Tenderness  
Where is the  
Tenderness  
Tenderness  
Tenderness  
Where is it?

I held your hands  
Rings but none on that finger  
We danced and danced  
But I was scared to go much further with it  
Just half a chance  
Make sure that one night you're here,  
But next night you're not  
It always leaves me searching for a little

Tenderness  
Where is the  
Tenderness?

When you're sick to death of second best, pet  
Why should the morning always find you unimpressed?  
Is your love like a button?  
You can't stop pushing it?  
Oh this all night longing can be such a long time
