It starts out with a kiss  
Even though we're only friends  
Now there's nothing wrong with this  
But this is where his act begins

He'll hold you and tell you  
That's what love is for

Oh, but don't give in to him  
No, no, don't give in to him  
'Cause he will only ask for more

You don't want to lose him  
So you let him have his way  
You don't dare refuse him  
Because you know the price you'll pay

He's braggin' that  
He never lost before

So don't give in to him  
No, no, don't give in to him  
'Cause he will only ask for more

Baby, don't give in to him  
No, no don't give in to him  
'Cause I'm the one who loves you more

No, no, don't give in to him  
Please, don't give in to him  
'Cause he will only ask for more
