Yeah

Ha yo, ha yo

Ha yo, ha yo

Ha yo

Yeah

Locked in the basement

I'm so paranoid

I'm all encased

And I can't escape

And when I look up, mothers lookin' down

And when I wake up, mothers not around

'Cause if you want, you can have

Everything that I've got

'Cause if you want

You can take it all away from me

Away from me

Away from me

Away from me

Nobodies perfect, but you just can't see

My life's a circus, that you don't believe

You're sayin' somethin', but not comin' clean

Now when I look up

Mothers livin', she's livin' in her dreams

'Cause if you want you can have

Everything that I've got

'Cause if you want

You can take it all away from me

'Cause if you're unsatisfied

Well I'll watch you wave goodbye

'Cause if you want

You can take it all away from me

Please don't come down and see me this way

Please don't come down, I'm too afraid

Please don't come down and see me this way

Please don't come down well I'm too afraid

Well I'm too afraid

(Please don't come down)  
Well I'm too afraid  
(Please don't come down)  
Well I'm too afraid  
(Please don't come down)  
Well I'm too afraid  
Well I'm too afraid  
I'm too afraid

'Cause if you want you can have  
Everything that I've got  
'Cause if you want  
You can take it all away from me

'Cause if you want you can have  
Everything that I've got  
'Cause if you want  
You can take it all away from me

'Cause if you're unsatisfied  
I'll watch you wave goodbye  
'Cause if you want  
You can take it all away from me  
Away from me  
Away from me  
Away from me
