I'm sitting waiting on cloud nine, sitting here waiting on  
cloud nine

What do I have to do man?

Tell me what is going on, tell me what is going

If I remain strong I'll go to Heaven where I've been

She comes to me with open arms

She's an angel, she's an angel

We float away but she brings me back

Did I do something bad? I ask myself

Thrash, bash, kill myself, eat a bunch of trash

Thrash, bash, get some cash and spend it on some  
drugs

Explode into a million pieces so no one can find me

Because I'll be on cloud nine, cloud nine

Going out of my mind, raining down on cloud nine

Nothing I can do man

Tell me what is going on, tell me what is going

If I remain strong I'll go to Heaven where I've been

She comes to me with open arms

She's an angel, she's an angel

We float away but she brings me back

Did I do something bad? I ask myself

Trash, bash, kill myself, eat a bunch of trash

Trash, bash, get some cash and spend it on some  
drugs

Explode into a million pieces so no one can find me

Because I'll be on

Cloud nine, cloud nine, cloud nine

Send me away to cloud nine, cloud nine, cloud nine

Send me away to cloud nine, cloud nine, cloud nine

Send me away to cloud nine, cloud nine, cloud nine

Call me when the sun goes down, down

Call me when the sun goes down

Call me when the sun goes down

Cloud nine, cloud nine, cloud nine  
Send me away to cloud nine, cloud nine, cloud nine  
Send me away to cloud nine, cloud nine, cloud nine  
Send me away to cloud nine, cloud nine, cloud nine

Send me away to cloud nine, cloud nine, cloud nine  
Send me away to cloud nine, cloud nine, cloud nine  
Send me away to cloud nine, cloud nine, cloud nine  
Send me away to cloud nine, cloud nine, cloud nine

Call me when the sun goes down
