Since it means so much to you...

Hollywood hills
Pocketful of shells
Sunset drag
And I haven't even slept for days on end
Somethin's gotta give
Might as well live it up
Until fat lady sings

You want it
You got it
It's everything you dreamed of

I just wanna be famous
Be so fucking jaded
Cause all the playboy bunnys take my money from me
Show up at the oscars
Smoke out Dennis Hopper
The money is for nothing
And the chicks are for free
Yeah I wanna be famous

You can sleep all day
And still get paid
When the sun goes down
We'll do it all over again
Cause when you're on a roll
They gotta let you go
Right through the back door, door
Let the games begin

You want it
You got it
It's everything you dreamed of

I just wanna be famous
Be so fucking jaded
Cause all the playboy bunnys take my money from me
Show up at the oscars
Smoke out Dennis Hopper
The money is for nothing

And the chicks are for free
Yeah I wanna be famous

Well I hope it's everything you ever dreamed about
Be careful what you wish for
I hope it's everything you dreamed
When everything's falling apart at the seams
And I know that you never believed in me
Don't ever let them fuck with your dreams

Since it means so much to you
You want it
You got it
It's everything you dreamed of

I just wanna be famous
Be so fucking jaded
Cause all the playboy bunnies take my money from me
Show up at the oscars
Smoke out Dennis Hopper
The money is for nothing
And the chicks are for free

I just wanna be famous
Cause fame is contagious
Now all the playboy bunnies want my honey from me
Show up at the grammys
So loaded they ban me
The money is for nothing
And the chicks are for free

Yea I wanna be
yea I wanna be famous
