And I'm never coming home  
'Cause I really don't trust you  
And I feel like such a junk  
Something that I ain't used to

'Cause you never understand  
Something's going on inside me  
I remember what you said  
That it never meant nothing

Hey, life ain't fair, life ain't fair  
Life ain't ever gonna break me  
Hey, life ain't fair, life ain't fair  
Life ain't ever gonna break me

I ain't never going back  
'Cause there's nothing there for me  
Except a headache on the phone  
You always seem to disconnect me

And I hate to wait in line  
In the back and feeling empty  
Broken mirror, going blind  
Trying to put it back together

Hey, life ain't fair, life ain't fair  
Life ain't ever gonna break me  
Hey, life ain't fair, life ain't fair  
Life ain't ever gonna break me

Hey, life ain't fair, life ain't fair  
Life ain't ever gonna break me  
Hey, life ain't fair, life ain't fair  
Life ain't ever gonna break me

And I watch you run away from me  
(Until the end)  
But you're never giving me  
The chance to wait

And I swear upon a trash can  
Baby, hang yourself

You're pushing daisies  
And I never wanna see your face again  
And I feel like breaking down

Hey, life ain't fair, life ain't fair  
Life ain't ever gonna break me  
Hey, life ain't fair, life ain't fair  
Life ain't ever gonna break me

Hey, life ain't fair, life ain't fair  
Life ain't ever gonna break me  
Hey, life ain't fair, life ain't fair  
Life ain't ever gonna break me

(Hey)  
Never gonna break me  
(Hey, yeah)  
Put it back together  
Put it back together
