[Intro]

Met a girl, thought she was grand
fell in love, found out first hand
went well for a week or two
then it all came un-glued

in a trap, trip I cant grip
never thought
I'd be the one who would slip
then I started to realize
I was living one big lie

she fuckin' hates me
trust,
she fuckin' hates me
La La La love
I tried too hard
and she tore my feelings like I had none
and ripped them away

she was clean for about an hour
after that, shit got sour
she took all I ever had
no sign of guilt
no feeling bad, no

in a trap, trip I cant grip
never thought
I'd be the one who would slip
then I started to realize
I was living one big lie

she fuckin' hates me
trust,
she fuckin' hates me
La La La love
I tried too hard
and she tore my feelings like I had none
and ripped them awayyyy

[Guitar solo]

thats my story, as you see
learned my lesson and so did she
now its over, and I'm glad
cause I'm a fool for all I've said

she fuckin' hates me
trust,
she fuckin' hates me
la la la love
I tried too hard
and she tore my feelings like I had none
and ripped them away

la la la la la la la la la love
trust
la la la la la la la la la love
trust
la la la la la
and she tore my feelings like I had none
trust
she fuckin' hates me
