Met a girl, thought she was grand  
Fell in love, found out first hand  
Went well for a week or two  
Then it all came unglued

In a trap, tripped, I can't grip  
Never thought I'd be the one who would slip  
Then I started to realize  
I was livin' one big lie

She fuckin' hates me, trust  
She fuckin' hates me, la la la love  
I tried too hard and she tore my feelings  
Like I had none and ripped them away

She was queen for about an hour  
After that, she got sour  
She took all I ever had  
No sign of guilt no feeling of bad, no

In a trap, tripped, I can't grip  
Never thought I'd be the one who would slip  
Then I started to realize  
I was livin' one big lie

She fuckin' hates me, trust  
She fuckin' hates me, la la la love  
I tried too hard and she tore my feelings  
Like I had none and ripped them away

That's my story as you see  
Learned my lesson and so did she  
Now it's over and I'm glad  
'Cause I'm a fool for all I said

She fuckin' hates me, trust  
She fuckin' hates me, la la la love  
I tried too hard and she tore my feelings  
Like I had none and ripped them away

La la la la la la la la love, trust  
La la la la la la la la love, trust

La la la la la la la la love

And she tore my feelings like I had none

La la la la la la la la love, trust

She fuckin' hates me, I never got a reaction
