Met a girl, thought she was grand.
Fell in love, found out first hand
It went well for a week or two,
Then it all came unglued.
In a trap, trip I can't grip,
Never thought I'd be the one who'd slip
But then I started to realize
I was livin' one big lie

[Chorus]

She F*****' Hates me
Trust She f***** hates me
la la la love
I tried too hard and she tore my feelings like I had none
And ripped them away

She was queen for about an hour
After that s**t got sour
She took all I ever had, no sign of guilt no feeling of
bad, no

In a trap, trip I can't grip,
Never thought I'd be the one who'd slip
But then I started to realize
I was livin' one big lie

[Chorus]

That's my story, as you see
learned my lesson and so did she
now it's over, and i'm glad
'cause I'm a fool for all I've said

[Chorus]

la la la la la la la la love
trust
la la la la la la la la love
trust

[Outro]
Hahaahahah
She f****n hates me
I never got any action anyway
