I gotta get this shit off my chest  
Another sucker behind a desk  
You try to tell me that you know best  
Snap your fingers, snap your neck

The sunshine has always been an enemy  
My life's a chemical insanity  
Sundown is bringing out the freak in me  
I'm wired, getting higher

So check your attitude at the front door  
I'm really getting tired of taking  
All of your shit while I'm sober  
I'm thinking that I'd rather be stoned, yeah

I gotta get this shit off my back  
I'm runnin' circles but I won't crack  
So fuckin' sick of your politics  
Snap your fingers, snap your neck

The sunshine has always been an enemy  
My life's a chemical insanity  
Sundown is bringing out the freak in me  
I'm wired, getting higher

So check your attitude at the front door  
I'm really getting tired of taking  
All of your shit while I'm sober  
I'm thinking that I'd rather be stoned, yeah

Why you always waste my time, oh no  
Now I'm thinkin' that I'd rather be stoned

I am, I am, I am my worst epitome  
Wired, fucking higher

So check your attitude at the front door  
I'm really getting tired of taking  
All of your shit while I'm sober  
I'm thinking that I'd rather be stoned

So check your attitude at the front door

I'm really getting tired of taking  
All of your shit while I'm sober  
I'm thinking that I'd rather be stoned

Snap your fingers, snap you neck  
I'd rather be stoned  
Snap your fingers, snap you neck  
I'd rather be stoned
