Bitch Ass,

What you done forgot how to walk ? Nigga you ain't

An old fashioned ass woopin you run yo mouth to much  
We couldn't talk it over like men I had to reach out and

Yo man hood and yo jaw up at the same time  
Don't get up off the ground boy cause victory is mine  
Don't let this embarrassment get that ass killed  
Try to retaliate nigga and yo cap I will pill  
Respect my heart I was born with thug in my blood  
Respect my mind unless you just ready to die  
Nigga picture me I'm like Tyson and Holyfield back to  
back  
And in a matter of seconds I'll lay this whole club flat
