We can dance, dance, dance
Clap your hands, hands, hands
All night, if you're in the mood
Do what you wanna do
All night long

Happy days are here
So leave your cares behind
Just relax your mind
It's so easy to do it

Just enjoy yourself
If the feeling's right
Get your groove on tonight
Take your time tonight
Everything's alright
Ain't nothin' but a party

We can dance, dance, dance
Clap your hands, hands, hands
All night, if you're in the mood
Do what you wanna do
All night long

Get up on the floor
Don't worry 'bout a thing
The rhythm's got you now
So come on, get into it

Just enjoy yourself
If the feeling's right
Get your groove on tonight
Take your time tonight
Everything's alright
Ain't nothin' but a party

We can dance, dance, dance
Clap your hands, hands, hands
All night, if you're in the mood
Do what you wanna do
All night long

Have a good time (uh huh)
Lay back, relax (free)
Just free your mind
Let the music take control of you

Puff Daddy:

If it's a hit then I musta did it
If it's not then I wasn't with it
Bad Boy stay committed
Whether hip-hop or R&B
Featuring Faith Evans, co-starring me -- P. Diddy
You know I got the key to your city
Unlock the door, rock some more
Beats we lace, Bad Boy heats the place
We run R&B too cause we Keep the Faith
Givin' the streets a taste
Blaze the charts (Faith: I remember...)
In case you forgot, First Lady be makin' it hot
Ain't nobody takin the spot
Now Faith instead of pain
Comin' through with a better grain
In the dash, cell phone better range
Get the cash, stack paper for the whole four quarters
Man some things never chance, you feel me?
Let's make 'em dance

We can dance, dance, dance
Clap your hands, hands, hands
All night, if you're in the mood
Do what you wanna do
All night long

Have a good time (have a)
Lay back, relax (free)
Just free your mind
Let the music take control of you

We can dance, dance, dance
Clap your hands, hands, hands
All night, if you're in the mood
Do what you wanna do
All night long
