[Nicole](Diddy)

Count on me, I can be what you need
Ooh, baby

It's Bad Boy bitch
Do it do it do it do it
Do it do it do it do it
Do it do it do it do it
Do it do it do it do it
(It feels good to be back, I missed ya)
Relax your mind, let cha conscious be free
You're now rollin with the sounds of the BBE
Do it do it do it do it
Do it do it do it do it
Do it do it do it do it
Do it do it do it do it
(You know what time it is)
(Report to the dance floor)
It's bad boy bitch
(Talk to 'em)

[Nicole]

See you out the corner of my eye
Leanin on the wall lookin fly
I want you to come be with me
You're the only one I wanna talk to
But I don't wanna rush
I'm here when will you make your move?

[Chorus - Nicole]

I see you, eyein' me, I want cha, why don't cha
Come to me, I can be, what you need, uh baby
I'm standin, here waitin, I'm yearnin, I'm burnin
Get to know me, come and get to know me
Come show me, that you wanna know me

[Diddy]

You know what it is, I'm back in the building
Security strapped, still stackin a million
It's doubt with the stallion, somethin' Italian
Or maybe Puerto Rican, you can catch me in Paris

I'm in it to win it but willin to carry
The game, if you think I'm not look at the carats
I buck clean up outta the Phantom
The people go screamin like an opera anthem
I did it before, do it again
I got it to blow, got it to spin
Fly as before, cool as the wind
Got hits go back like Juice and Gin, yeah
Shine the best and diamond necklace
My extravagant taste, the style perplexes
They know I'm the ish, they wanna get next
That's why she had to fit cause she wanted to get next
to him

[Chorus - Nicole]

I'm here when will you make your move?
I see you, eyein' me, I want cha, why don't cha
Come to me, I can be, what you need, uh baby
I'm standin, here waitin, I'm yearnin, I'm burnin
Get to know me, come and get to know me
Come show me, that you wanna know me

[Diddy](Nicole)

Anywhere I appear, they all stop and stare
Admire your body language speakin loud and clear like
(I want you to come be with me)
She be waitin anticipatin for oh so long
Fantasizing wild thoughts of me comin on like
(I'm here when will you make your move)
She diggin my style, my swag, my suede, my swirve
My way with words, the Boys absurd for sure
You can't fall til my aura called
I make miracles like I walked on water
What you want mama order, it's on my tab
I'm so bad with that cash, I dropped the whole bag
Where you at girl?

[Chorus - Nicole]

I'm here when will you make your move?
I see you, eyein' me, I want cha, why don't cha
Come to me, I can be, what you need, uh baby
I'm standin, here waitin, I'm yearnin, I'm burnin
Get to know me, come and get to know me
Come show me, that you wanna know me

[Nicole]

I'm here and I can't wait no longer
You were the one who stole my heart
Can't you see the wait is over
I need you to come closer
Please believe is getting stormy

You really got me hot

[Chorus - Nicole]

I see you, I eyein' me, I want cha, why don't cha
Come to me, I can be, what you need, uh baby
I'm standin, here waitin, I'm yearnin, I'm burnin
Get to know me, come and get to know me
Come show me, that you wanna know me

[Diddy and Nicole]

Do it do it do it do it
Do it do it do it do it
Do it do it do it do it
Do it do it do it do it
Why don't cha come to me
I can be, what you need uh baby
I'm here, you're here, let's make it happen
Do it do it do it do it
Do it do it do it do it
