Somebody said they saw you
the person you were kissin' wasn't me
and I would never ask you
I just kept it to myself

I don't wanna know
If your playin' me
Keep it on the low
Cause my heart can't take it anymore
And if your creepin'
please don't let it show
Oh baby I don't wanna know

I think about it when I hold you
When lookin' in your eyes I cant believe
I don't need to know the truth
Baby keep it to yourself

I don't wanna know
If you're playin' me
Keep it on the low
Cause my heart can't take it anymore
And if you're creepin'
please don't let it show
Oh baby I don't wanna know

Does he touch you better than me
Does he watch ya fall asleep
Does he show you love this way
And the things you do to me
If your better off that way
Baby all that I can say
Is go on and do your thing and don't come back to me

P DIDDY

I know where your whereabouts
Or how your movin'
I know when you in the house
Or when your cruising
Its been proven
My love you abusing

I can't understand how a man got you chosen
Undecided, I came and provided my undivided
But you came and denied it
Don't even try it
I know when you lying
Don't even do that
I know why you crying
Im not applyin' no pressure
Just wanna let you know
that I don't wanna let you go
and I don't wanna let you leave
Can't say I didn't let you breathe
Gave you extra cheese
Put you in the S.U.V.
You wanted ice so I made you freeze
Made you hot like the west indies
Now its time you invest in me
Cause if not then it's best you leave
Holla

I don't wanna know
If you're playin' me
Keep it on the low
Cause my heart can't take it anymore
And if you're creepin'
please don't let it show
Oh baby
