Somebody said they saw you
the person u were kissin wasn't me
and I would never ask you
I just kept it to myself

I don't wana no
If your playn me
Keep it on the low
Cuz my heart cant take it ne more
And if your creepin please don't let it show
Oh baby I don't wana no

I think about it when I hold u
When lookin in your eyes I cant belive
I don't need to know the truth
Baby keep it to urself

I don't wana know
If ur playn me
Keep it on the low
Cuz my heart cant take it ne more
N if ur creepin please don't let it show
Oh baby I dun wana no

Baby does he touch u beta then me
Does he watch ya fall asleep
Does he show you love this way
And the things you do to me
If you rbetter off that way
Baby all that I can say
Is go on n do your thing and don't come back to me

P DIDDY
I don't wana know your whereabouts
Or how your moven
I know when u in the house
Or when your cruising
Its been proven
My love you abusing
I cant understand how a man got u choosen
Undecided
I came n provided my undivided

But you came n denied it
Don't even try it
I know when you lying
Don't even do dat I know why u crying
Im not applyin no pressure
Just wana let u know that I don't wana let you go
N I don't wana let you leave
Cant say I didn't let you breathe
Gave you extra cheese
Put you in the SUV
You wanted ice so I made you freeze
Made you hot like the west indies
Now its time that u invest in me
Cuz if not then its best you leave
Holla

I don't wana know
If you playn me
Keep it on the low
Cuz my heart cant take it ne more
And if your creepin
Please don't let it show
Oh baby
X3
