[Puffy]

Yo Short man

I was with this chick last night

She was like, hey Diddy, ummm Diddy

Why you so motherfuckin' fly

I had to tell her bitch I'm just about that paper beotch

[Female Singer] (Puffy)

It's about that paper

(Make it hot)

If it's about that bullshit

(Make it stop)

If you got that paper we can roll

No time for hataz , gotta go

[Too Short]

I flew to L.A. just last week

Jumped in the limo, checked in the suite

Made a few calls, it's time to go

Bust a few rhymes at the studio

You know I don't do it for the love of it

I love it but I do it for the love I get

Big checks, you think the sex is next

When I left the studio

I had to go do a show for the ten with the triple zeros

That's why I never flipped with kilos

Flew up to the bay, then back to Georgia

Had to catch a flight to Tallahassee, Florida

I did a show at the Kapa luau

Short dog what'cha about to do now?

I'm getting money, caught a flight to New York

Just another day in the life of Too Short

1 - [Female Singer] (Puffy)

It's about that paper

(Make it hot)

If it's about that bullshit

(Make it stop)

If you got that paper we can roll

No time for hataz , gotta go

It's about that money

(Make it hot)

Got to keep it coming  
(Make it stop)  
Niggaz hate us all day long  
(We can roll)  
Cause we get our paper all night long  
(Gotta go)

[Puffy]

Everything I do is a world premiere  
I know you're not trying to front girl come here  
I get up early in the morning work late at night  
So when you talk about me you say it right  
I get my pimp on whenever I get on  
Pop, Rock, Rap, R&B it's a hit song  
I keep it moving no matter what your age  
Bitches screaming out "Puff Daddy's on stage"  
Breaking necks, cashing checks  
When I'm not making money I'm having sex  
International, superstar  
People wanna know just who you are  
I'm that laid jet rider  
Mansion residing  
If I throw a party you'll be dancing all night and  
Let's have some fun girl, it's ok  
I work hard now it's time to play  
Come on

Repeat 1

[Too Short]

I did a lot of work for the homies for the low-low  
But I doing that kind of shit no more  
Ask Puff, fuck all that retirement stuff  
I work to hard so the price went up  
I'm charging fifty for sixteen bars now  
If you want a whole song it's a hundred thou  
Is it worth it? I ain't no crook  
A hundred thousand dollars might get you a hook  
From this nigga right here, I know you know  
And you gotta pay extra for the video  
So cut the check for the right amount  
If not, you can wire it to my account  
The only other way is to pay me cash  
And ain't nothing wrong with that  
In fact give me the scratch in big stacks  
Cause you're fucking with a real mack bitch get back  
Back, bitch get back, back  
Said bitch, said bitch said get your motherfuckin' ass  
back  
That's right

Repeat 1

[Too Short] (Puffy)

That's right

So if you want me to do a guest appearance on your  
next album

Just remember one thing

It's gonna cost you man'

Cause we gettin' our money on

That's right Short Dog in the house

(Yeah) P Diddy in the house

Short Records, Bad Boy (Bad Boy)

Yeah that's right

2 - [Female Singer]

Too Short, Too Short
