You understand what it means to be black?
I have my man the Notorious B.I.G in the back

But check this shit out
Four fives
As we procced to give you whut you need

Verse One: Notorious B.I.G

Sick of ma screamin get a job nigga
Pressed to the limit gotta rob me a nigga
Simple and plain, my man scooped me in the hooptie
Whispered in his ear, this is what we gotta do G
We gots to bang a nigga, and bang a nigga good
So I could cop a benz and drive the fuck out the hood
Cause baby mama screamin, your daughter twelve

Can't live life slingin rocks and smokin blunts
Hangin with the niggaz don't pay the bills
And bein broke and dirty give the nigga chills
So what we gots to do is creep and see a sweet vic
Did you see that shit? (hell yea I see that shit)

Who ever he was he had a tuck under the leather
Two keys twenty G's nigga please
Blew his brains out cause witnesses we don't need

And i will lick shots and run through your home
Or better yet i put your son to the chrome
