

## Puff Daddy

### "Satisfy You (feat. The Luniz, R. Kelly)"

Visit "[Satisfy You \(feat. The Luniz, R. Kelly\)](#)" on MotoLyrics.com

[Puffy]

Yeah (Ooohhhh, baby)

This right here goes out to all my West Side queens

Bay Area (Ohhhhhh)

Los Angeles

San Diego (Yeahhhh)

San Jose

Matter of fact, the whole motherfuckin' West Coast

(Wake up, wake up)

Feel me? C'mon

[1] - [R. Kelly]

He don't understand you like I do

No he'll never make love to you like I do

So give it to me

Cause I can show you 'bout a real love

And I can promise anything that I do

Is just to satisfy you

[During 1]

West Side remix

West Side remix

West Side remix

Ladies and gentlemen

Ha ha

[Puffy]

I'm the light when you can't see

I'm that air when you can't breathe (That's right)

I'm that feeling when you can't leave

Some doubt, some believe (C'mon)

Some lie, cheat, and deceive

So it's only you and me (You and me)

When you weak, I'll make you strong (Strong)

Here's where you belong

I ain't perfect, but I promise I won't do you wrong

Keep you away from harm, my love is protected

I'll wrap you in my arms so you'll never feel neglected

I'll just make you aware of what we have is rare (That's right)

In the moment of despair, I'm the courage when you're

scared  
Loyal, down for you, soon as I saw you  
Wanted to be there cause I could hold it down for you  
Be around for you, plant seeds in the soil  
Make love all night, bending bed coils (Feel me?)  
You're a queen, therefore I treat you royal (My queen)  
This is all for you, cause I simply adore you

[Repeat 1]

I think I need a lil' bit help on this one  
Uh, yeah  
Where the Luniz at?  
C'mon

[Numskull]

Let me speak on it  
When I came out, I had the best of both women  
We ain't gotta do it, no lies  
Brothas in Africa got four wives  
Y'all both fine  
Want me to choose just one?  
On the under, maybe y'all two can do a lil' sumpin'  
sumpin'  
Cuz I don't mind, as many times I had to  
You did your thang, I did my thang, I ain't mad atchu  
I patted you on your back for your good deeds  
But the extraordinary mood swings I don't need  
It's a thug life you want, it's a thug life you won't get  
Cuz three whole hits of ecstasy, it make you won't get it  
I didn't wanna settle down, but now I'm willing to  
See, I'm Num to the world and now I'm feeling you  
See, you my little angel without the halo  
Don't sweat me when I'm out all night hanging with the  
payroll  
Ain't no women like the one got  
She don't subtract, she just add to the funds I got

[Repeat 1]

[R. Kelly (Puffy)]

Don't let him sing you a sad song  
No, baby  
Waiting for love like this too long (I just wanna love you)  
You don't have to wait (I just want you to love me)  
You don't have to wait on him, baby  
All that you need I can give you (I'll be your king)  
You don't have to wait  
You don't have to wait on (And you my queen)  
(Hey, yo, Yukmouth, talk to them, man)  
I do (We gon' do this together, c'mon)  
You don't have to wait on him (Together)

[Yukmouth]  
Whoo, whoo  
Playgirl only humped once wit' the thug, now she hump  
with a thug  
Who smoke blunts in the club, get pissy drunk at the  
tubs  
Backrubs like we in love on our honeymoon, newlyweds  
Whip cream, head, and rose petals on her cutchie,  
spread  
I gotchu shoppin' at Barney's, driving a black Ferrari  
That's why your girlfriends hate and talk smack about  
me  
Don't act selfish because your girls jealous  
They all look like Garbage Pail Kids  
Who gon' get they nails, they rock, and colorful wigs,  
Cookie Monster?  
They the type that drink 40s, smoke all your gonja  
In an orgy after the concert  
My girl, of course she's baller sponsor  
Campaign and platinum rangin' and car to ear  
Platinum frames and raps is flamin'  
I'm like Puff, two platinum chains and You Can't Hold  
Me Down  
Even Hurricane Floyd can't blow me down  
And took my girl and little boy just to slow me down  
Slow, slow me down

[Repeat 1 to fade]

[Puffy]  
This one out here goes out to all my sisters  
And the struggle holdin' it down by theyselves  
Waitin' for that karat  
From a king to a queen  
Feel me?  
I love you
