Hey girl

Where u from  
Turn around  
Who u came with  
Is that ur ass or ur momma half reindeer  
I can't explain it but damn sure glad u came here  
I'm still a sucker for cornrolls, u know I never changed  
that  
Ur body is banging mama, but where ur brains at  
I'm still the same cat when I was young I was running  
with bad boys  
But now I'm older I hope they saw I'm running with bad  
boys  
Here come another man  
Unlike no other man  
Candy coated woah  
Switching in every lane  
Y'all help me- why don't ya please help me  
8th grl this week and it's only Tuesday  
I like the cocky bow legged ones  
Like white and Dominicans  
Hispanics and Asians  
Shake it for nelly son  
Manolos ma-no-no's I can't tell  
Everybody and their hoochies

When u do it u do it well

(Braves tomahawk chop done in background of chorus)
