It all about
Mr. Marley
Them know your name
Ragga muffin in the Hall of Fame
With the forklift on (the) nightshift
On the Zion Train
Babylon By Bus
Or Babylon by plane
When the race gets hard to run
Di blood run all
Through your vein
Whether the Confrontation
Or the Uprising
All nation a bow
Just to hear him sing

When the music hit you
you feel no pain
In Mt. Zion
Is where he live and reign
He said, I don't wanna
I don't wanna wait in vain
Chase those crazy baldhead
From off of the lane
Guide a lot of people
Out of sorrow and shame

Everyman have the right
To decide his own destiny
And in his judgement
There is no partiality
So don't you think
That you are better
Cause you gwan boasty
I've got to keep on moving
So them can't hold me
Di man shot the sheriff
And him spare the deputy
