Ahe he
Yo, turn me up in the headphones
Like that?
Yeah
Bad Boy, we ain't gon' stop

Now with Sean on the hot track, melt like it's hot wax
Put it out, all the stores, bet you could shop that
(That's right)
Leave a nigga with a hot hat, fronting like
Bad Boy ain't got tracks
(Nigga stop that)

There's no guy slicker than this young fly nigga
Nickel-nine nigga, floss you die quicker
(Uh-huh)
This fed time outta town pie flipper
Turn Cristal into a Crooked I sipper

Everbody want to be fast, see the cash
Fuck around they weak staff, get a heat rash
Anything in Bad Boy way we smash
(We smash)
Hundred G stash, push a bulletproof E-Class
(Ehehe)
I'm through with bein' a player and a baller

Just want me one bad bitch so I can spoil her
Mase wanna be the one you respect, even when you're
vexed
Rock Versace silks over spilled Brunette
Got green never seen so you suck my jewels

Clutch my uz', anything I touch I bruise
Puff make his own laws, nigga fuck your rules
(That's right)
Goodfellas, you know you can't touch us dudes

Don't push us, 'cause we're close to the edge
We're tryin', not to lose our heads, a-hah hah hah hah

I get the feelin' sometime that make me wonder
Why you wanna take us under
Why you wanna take us under

I get the feelin' sometime that make me wonder
Why you wanna take us under
Why you wanna take us under

Can't nobody take my pride, uh uh, uh uh
Can't nobody hold me down, ohh no
I got to keep on movin'

Broken glass everywhere
If it ain't about the money, Puff, I just don't care
(That's right)
I'm that Goodfella fly guy, sometimes wiseguys
Spend time in H A W A I I
(Mase can you please stop smoking lah lah?)

Puff why try? I'm a thug, I'ma die high
I be out in Jersey, puffin' Hershey
Brothers ain't worthy to rock my derby
Though I'm never drugged, I'm the venom in the club,
G

Though I know the thug be wantin' to slug me
(Uh-huh)
Could it be I move as smooth as Buggy?
(Yeah)
Or be at the bar with too much bubbly?
(C'mon)

Yo I think it must be the girls want to lust me
Or is it simply the girls just love me
Brothers wanna, rock the Rolls, rock my clothes
Rock my ice, pull out Glocks, stop my life
(Uhh)

I'm like, "Damn, how these niggaz got they trust?
Used to be my man, how you gonna plot on my wife?"
Do you think you snake me, 'cause they hate me?
Or he got his Ph.D Player Hater's Degree?
(Ahaha!)

Don't push us, 'cause we're close to the edge
We're tryin', not to lose our heads, a hah hah hah hah

I get the feelin' sometime that make me wonder
Why you wanna take us under
Why you wanna take us under

I get the feelin' sometime that make me wonder
Why you wanna take us under
Why you wanna take us under

Can't nobody take my pride, uh uh, uh uh
Can't nobody hold me down, ohh no
I got to keep on movin'

Quit that!
(Uh-huh)
You a big cat?
(Yeah)
Where your chicks at?
(Yeah)
Where your whips at?
(Where dey at?)

Wherever you get stacks, I'ma fix that
Everything that's big dreams, I did that
(That's right)
Don't knock me 'cause you're boring
I'm record sales soaring, straight touring

Simply a lot of men be wantin' to hear me
'Cause their words just don't offend me
(Uh-uh, uh-uh)
We spend cheese, in the West Indies

Then come home to plenty cream Bentleys
(Ahehe)
You name it, I could claim it
Young, black, and famous, with money hanging out the
anus

And when you need a hit, who you go and get?
(Who?)
Bet against us? Not a sure bet
We make hits that'll rearrange your whole set
(That's right)
And got a Benz that I ain't even drove yet

Don't push us, 'cause we're close to the edge
We're tryin', not to lose our heads, a-hah hah hah hah

I get the feelin' sometime that make me wonder
Why you wanna take us under
Why you wanna take us under

I get the feelin' sometime that make me wonder
Why you wanna take us under
Why you wanna take us under

Can't nobody take my pride, uh uh, uh uh
Can't nobody hold me down, ohh no
I got to keep on movin'

Can't nobody take my pride
Uh uh, uh uh
Can't nobody hold me down, ohh no
I got to keep on movin'
(Keep it movin')
