Oooh ooo oooh
Yeah, this that bounce right here
Come on now
Time to move on, time to be strong
Don't stop now straight to the top now
Someone who truly understands
How to treat a man, this is what I need

Girl you made me believe again if you happy then be
with him
Go 'head mommy breathe again, go 'head mommy
breathe again
Don't stop now straight to the top now go 'head
mommy make it hot now
I need me a love that's 'gon make my heart stop now

And what I need is simple, five foot five with dimples
Potential wife credentials know about the life I'm into
Life I've been through and how I had a trifilin' mental
So ride with me, G-Force fly with me

Times get hard cry with me, die with me
White beach sands lye with me
My advice is forget the limelight
Let's make love, while we listen to Frank White
So tight, now I understand life

What I need, yeah take that
Is a pretty woman next to me
A pretty woman yeah baby
To share the dreams that I believe

Dream with me, believe in me
Maybe we could start a family
Start a family baby someone who truly understands
How to treat a man, this is what I need

Listen to me now what should I say now? Come on ma
Been a whole day now I wanna lay 'round
And sip Coladas, dipped in Prada
I'm smooth as Erik Estrada, dipped in dollars

We out in Vegas, Nevada, bubble bath in the
champagne glass
'Bout the size of a campaign ad
You don't know how you look to me
But if love was a crime you be a crook to me

'Cause mommy I've done been around the world
Seen a lot of places, been around your girl believe I
read faces
I can tell she don't want me prevail
But I, learn my lesson watchin Sean bless it

So why listen to her and start guessin'?
Mommy you ain't ready to ride to start dressin'
I need a girl receive my mom's blessin'
Confession, my love no contestin', I need affection
Yes I need affection, let's go Mario

Girl what the hell is on your mind
I could be dumb but I'm not blind
There's somethin leakin' in your mind
Don't look to good for you and me, always getting weak
That ain't what I need, baby

What I need is a pretty woman next to me
Oh please baby
To share the dreams that I believe
I need a girl in my life

Maybe we could start a family
Start a family baby
Someone who truly understands
How to treat a man, this is what I need

Ay yo the sun don't shine forever
But as long as we're here then we might as well shine
together
Never mind the weather, go somewhere and get our
minds together
Build a love that a last forever, so let's stop the pain,
stop the rain

Put, stress to rest girl stop the games
Name the spot, mommy I got the plane
Roll through rough, I got the range
Ma I got some thangs, knownd to put rocks in rings

Push a hundred foot yachts and thangs
Your man don't play, have you ever been to Saint
Tropez?

Or seened a brotha play a mandalay?
Girl I wanna just, look in your eyes and watch the
sunrise

No more lies, no more tears to cry
No more reasons for leavin' you I believe in
Love you till the day I stop breathin, I love you girl

What I need, is a pretty woman next to me
Standin' next to me girl
To share the dreams that I believe
When I wake up in the morning

Maybe we could start a family
I wanna see your pretty face, yeah
Someone who truly understands
How to treat a man, this is what I need
(Is that all you want?)

Is a pretty woman next to me
(Made the sacrifice)
To share the dreams that I believe
(And maybe maybe we)
Maybe we could start a family
Someone who truly understands
How to treat a man, this is what I need

Is a pretty woman next to me
To share the dreams that I believe
Maybe we could start a family
Someone who truly understands
How to treat a man, this is what I need
